CORPORATE MEMBERSHIPS POLICY

Purpose

As a community organisation, SHYAC relies on members to flourish and continue. In the same way, SHYAC members can expect to be provided with quality programs and events that are appealing and valuable. For this reason, SHYAC has a variety of membership options to suit all members of the community, one of which is corporate membership. This policy outlines the nature of SHYAC's relationship with corporate members.

Policy

Corporate memberships of SHYAC are to be obtained and managed by SHYAC staff, volunteers, committee members and agents according to the rules prescribed below. This policy should be read in conjunction with SHYAC's privacy policy, advertising policy and constitution.

1. **Method:** Corporate membership of SHYAC is awarded to a new member by;

   i. SHYAC being provided with information required to make a determination on eligibility for membership as set out in the constitution of SHYAC; and

   ii. SHYAC being furnished with the annual payment required of corporate members, as prescribed by the management committee; or

   iii. Any other method prescribed in the SHYAC constitution.

2. **Reward:** SHYAC corporate members are eligible for:

   i. One advertisement included on SHYAC's in direct mail or email annually;

   ii. Additional advertisements as above on payment of the required fee determined by the SHYAC committee or delegate, and as set out in the SHYAC advertising policy;

   iii. Listing, on SHYAC's website, as a 'supporter – corporate member';

   iv. Other benefits of membership as determined by the SHYAC committee or delegate, including but not limited to member pricing and early bird tickets for productions and opportunities to join SHYAC committees and advisory bodies.
